**Step 3** – Find ‘My Account’ at the top right of your home screen and click ‘Purchase’ to activate your company On Demand subscription.

The screenshot shows the COOLNet Alberta dashboard. At the top right, the 'My Account' menu is highlighted with a red box. A dropdown menu is open, showing account details and a 'Purchase' button, which is also highlighted with a red box. The dashboard includes sections for 'Project Quick Search', 'My Projects', and 'My Searches'.

Once payment is received, your company is listed for all General contractors to find and invite to bid!

*Below is a snapshot from the directory that General Contractors use for every bid invitation. Your company is searchable and viewable by scope of work and location!*

The screenshot shows a directory interface with search filters for Division, Section, and City. A 'Company Profile' pop-up window is open for 'ECA Trade Contractor'. The profile includes contact information and scope of work details.

Frequently asked questions:

**Q. Do I need to be a member of COOLNet?**

A. No, the directory listing is designed specifically for non-members, or public users of COOLNet Alberta. Members of the 8 local construction associations across Alberta already receive this benefit and full access to COOLNet opportunities through their membership dues.

**Q. Does this subscription give me access to all COOLNet Opportunities?**

A. No, advertising on the directory does not give you access to plans and information for the 4,000+ opportunities listed in COOLNet every year. It lists your company so that General Contractors can invite you to bid on their invitation only work and gives you access to all of the plans/specs/information for these invited opportunities

**Q. Who is using On Demand?**

A. There are currently over 40 General Contractors across the province using On Demand and that number is growing weekly. General Contractors are seeing the benefit of using an industry supported tool like COOLNet vs. other private softwares currently available. General Contractors currently using the system will create close to 2,000 opportunities in 2016, making your listing on the directory a great value for \$100/year.
